

## Who Are We?

Summer is fun and so are we at the Summer Academy! We would like to provide your child with a summer camp experience without having to leave home overnight. We will have many different activities, as well as field trips to the pool, movies, library and bowling.

Monday: Sports Day

Tuesday: Craft Day

Wednesday: Library and Game Day

Thursday: Pool Day

Friday: TGIF/Kids Choice Day

We will have a talent show, pizza days and a dance party. Children will have opportunities to read, cook, play math games, card games, kickball, jump rope, corn hole, and hopscotch. The best part is that the children will be learning (without even realizing they are learning).

- Children will participate in the Summer Reading Program at Saint Albans Library.
- Children will have time to play and "Just be Children."

# Saint Francis Summer Academy

*Experience summer camp all  
summer without leaving home!*

## Register Now for Summer Academy

Registration is now open for the Saint Francis School Summer Academy for children ages 3-12. In addition to fun activities, the program will offer academic enrichment including reading and math activities. Children will explore arts and crafts, technology, and learn new skills such as cooking, gardening, chess, basketball, and dance.

Children are grouped by age with games and lessons targeted to their level.

Field trips, field trips, field trips! We will go swimming, bowling, to the movies and the library! Don't miss out on the fun! ☺

By having two four-week sessions we are sure to keep your child interested and productive over the summer. Call 304-727-5690 or go online at [www.sfsww.com](http://www.sfsww.com) to register.

## How Do I Register?

Summer Academy Hours of Operation:

Monday – Friday 7:30am – 5:30pm

Session I June 4 – July 3

Session II July 9 – August 3

Your child can attend on a weekly basis or on a drop-in basis. To register for the Summer Academy or for more information please visit our website [www.sfsww.com](http://www.sfsww.com), or call the school office at (304) 727-5690.
