Saint Francis of Assisi School

The faculty and staff of St. Francis of Assisi School welcomes you to a new year of seeking and discovering knowledge. The philosophy and policies of St. Francis described in this handbook can be summarized in these beautiful words from longtime pastor Father Patrick McDonough.

C - Charity

The inspiration and result of everything we do at this school is love of God and of neighbor. Where charity and love abide, there God is always present.

H – Harmony

Your child will benefit most from an education in a Christian environment when parents, teachers and staff work together, respecting and cherishing one another as brothers and sisters with Jesus.

I – Interest

St. Francis is interested in the education of the whole personality of your child. We are interested in developing him/her through spiritual awareness, mental awareness, mental acuteness, and physical fitness.

L – Learning

St. Francis draws from the Catholic tradition, which values the attainment of knowledge as the noblest of human endeavors – truth is the source of freedom.

D – Discipline

Christian discipline teaches us that we must always accept the consequences of our actions. This lesson learned at an early age ensures a virtuous character for a lifetime.

History of Saint Francis of Assisi School

On September 8, 1948, Saint Francis of Assisi School opened with fifty-six pupils in grades one through six and three Sisters of the Poor Child Jesus, who came from Parkersburg at the invitation of pastor, Reverend Hilary Liehr, O.F.M., Cap. The sisters, Mother Edeltrude, Sister Mary Aquinas, and nineteen-year old Sister Clare Antonette arrived to teach in classrooms set up in a renovated parish hall that had at one time housed USO functions during World War II. Father Joe Gillian, parents and members of the parish built walls to section the former hall into two classrooms and a cafeteria. The first and second graders sat at tables and chairs while grades three through six used "envoy" desks. The convent was dedicated on October 4, 1948.

In 1952, Bishop John J. Swint established St. Francis of Assisi as a parish and appointed Father Joseph Wanstreet as the first diocesan pastor of the growing community. Bishop Swint donated $25,000, and Father Wanstreet began a $150,000 fund drive to purchase a new rectory and expand the school. In 1954, additional classrooms were added to the school. Also at this time, the school added seventh and eighth grades making the school range from grades kindergarten through eighth with over 300 students.

In 1965, an $112,500 addition to the school gave the school four new classrooms and a new auditorium, increasing the enrollment to 411 students. However, because the old church had grown too small for the steadily increasing parish, the auditorium was converted into a church and it is still being used in this capacity. Over the years various improvements have been made to the school including a gym, an art room, a science lab, a computer lab, playground equipment, air conditioning units, new windows and a remodeled church.

In the late 1960's tuition of $150/per child was initiated, which was difficult for families with multiple children to afford. The last of the nuns left after the school year 1972-73. Mrs. Alice McClung became the first lay principal of St. Francis of Assisi School. During this same time 7th and 8th grade classes were eliminated and students who chose to continue their Catholic education moved on to Charleston Catholic. In 2003, the 6th grade was eliminated leaving St. Francis as an elementary school.

Mission of Saint Francis of Assisi School

To provide high-quality Christian religious instruction based on the Catholic faith; to provide a high-quality academic curriculum to prepare students for the future; to provide the social discipline consistent with these teachings in a safe and loving environment."

Philosophy of Education at St. Francis School

The fundamental principle of Catholic education is: Man is a creature of God, redeemed by Christ and destined for eternal life.

As educators, we are committed to developing the total child so that they grow physically, emotionally, socially, intellectually, and spiritually. We believe children are individuals who should be nurtured and guided through conceptual and developmental stages at a pace that meets their particular needs. We believe the classroom environment should make children feel comfortable while achieving their academic goals. We incorporate a scholastic program that meets the highest recognized standards of education on each level. We also believe each child's self-esteem and self-concept are vital parts of their well-being. As educators, we shall develop an atmosphere that enhances positive self-concepts and develops self-esteem along with self-discipline. All personnel are qualified and prepared for their profession as exemplified by their lives, instructional techniques, dealings with peers, their deep love and concern for children, and their witness for Christ.

We believe the spiritual growth of each child to be an important responsibility of St. Francis School. In keeping with Catholic tradition, our school will provide a Catholic, Christian atmosphere to all. Students of other faiths are not expected to act in any manner which is contrary to their own beliefs. To do so would be understandably offensive to them and their parents. Contrarily, they should understand that they will give offense to Catholic students and parents when their actions are contrary to the beliefs of Catholics. Individual religious beliefs should be respected by all faiths. By providing an atmosphere of acceptance, students will develop a sense of personal dignity and respect. In this way, students will learn how to integrate faith in Jesus Christ with school and social life. Since they feel accepted, children will develop an intellectual curiosity and a greater responsibility for their own learning.

During After School Care students will be allotted time for homework assignments, play and/or crafts and be served a nutritious snack. St. Francis School participates in the Child and Adult Care Food Program (CACFP), and all snacks meet USDA guidelines. In accordance with Federal civil rights law and U.S. Department of Agriculture

(USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. 3. ASC employees will utilize student planners so they are aware of assignments.

ARTICLES FOR SALE

Students are not permitted to sell any items at school.

ATTENDANCE

St. Francis School promotes regular attendance and punctuality as necessary for success in school. With good attendance students can maximize the development of good work habits, self-discipline, responsibility and a higher level of achievement.

Absence: Not being physically present in the school facility for any reason.

An absence is considered unexcused until the school receives documentation from the parent and/or physician.
Excused absences are defined as:
A medical or dental appointment with a written excuse from the dentist or doctor.
An illness or injury with a written excuse from a doctor.
An illness or injury with a written excuse from the student's parent within three days of the absence. Three parent excuses are permitted.
A death in the family.

A medically documented chronic health condition or disability that impacts in-person attendance reviewed by the principal.
School approved extra-curricular activities.
A judicial obligation or court appearance involving the student.
A calamity such as flood or fire.

All other absences are recorded as unexcused. West Virginia State Law mandates that the principal meaningfully contact the parents after three unexcused absences. Contact may be a phone call, video conference, home visit or via a digital platform. In the case of 10 unexcused absences, a formal conference will be scheduled. Excessive absenteeism and tardiness may result in expulsion from Saint Francis School and parents/guardians will be referred to the County Attendance Director, which may result in legal action.

Please arrange vacations so that children are not taken out of school. If this occurs, it is an unexcused absence and the teachers will provide make-up work upon the student's return. Parents and children will be responsible for make-up work. Please arrange doctor, dental, or any other appointments after school. If a child is to be excused for doctor, dental, etc., they must present a note from their parents stating the time and date. This is to be sent to the teacher who will then send it to the office. No child will be excused without authorization. Parents are not to go to the classrooms. Students will be sent to the office after parents have signed them out in the office.

Make Up Assignments: In the event a child is absent from school, parents may contact the school to request make-up work. Make-up work will be available to parents after dismissal. If parents are not able to pick up work after dismissal, students will receive the work upon their return to school. Students are given a grace period equal to the number of days they were absent to return make-up work without their grade being affected; weekend days will be used in calculating the grace period.

1 day absence = 1 day grace period. If the student is absent on Monday, the make-up work is due on Wednesday (Tuesday is the grace period).
2 day absence - 2 day grace period. If the student is absent Monday and Tuesday, the make-up work is due on Friday. (Wednesday and Thursday are the grace period days).
3 day absence - 3 day grace period. If the student is absent Tuesday, Wednesday and Thursday, the make-up work is due on Monday (Friday, Saturday and Sunday are the grace period days).

If the make-up work is returned after the time allowed, the grade will be calculated as follows:
1 Day Late: Maximum grade 75%
2 Days Late: Maximum grade 50%
3 Days Late: Maximum grade 25%
4+ Days Late: 0%

Tardy Arrivals and Early Outs: Students arriving after 7:45am are tardy. For the safety of the students, we ask that parents escort tardy students to the school office to obtain a tardy slip, but not to the classroom. Tardy students must enter the classroom quietly to cause the least distraction for students and teachers engaged in the learning process. Any student who has five events of unexcused tardiness during a nine-week period will serve lunch detention. The parents of any student who has ten events of unexcused tardiness during a nine-week period will be required to meet with an administrator. Additionally, the school reserves the right to implement an out of school suspension for any tardy events exceeding ten in a nine-week period. Please make every effort to arrive on time.
If a student goes home sick in the morning, it is recorded as an absence for that day. An Early Out is recorded for students who leave school at any time throughout the day. Every absence, tardy and early out regardless of cause is recorded.

BIRTHDAY INVITATIONS AND TREATS

Invitations to a party may be distributed in the classroom if the entire class is invited. As participants in the federal hot lunch program, we comply with all nutritional guidelines including eliminating individual birthday celebrations in classrooms. Non-edible treats such as pencils or stickers may be distributed with permission from the classroom teacher. Please do not have flowers, balloons, etc. delivered to the school.

BULLYING, CYBERBULLYING, OR HARASSMENT

Rationale: Bullying is sinful, cruel, unchristian behavior, as well as a violation of the law. Bullying is a form of aggression when a person willfully subjects another person to intentional, unwanted and unprovoked hurtful verbal, written or physical actions that may result in the victim feeling oppressed, intimidated, and/or threatened **(seriously or in jest)**. Bullying involves a pattern of behavior repeated over time and an imbalance of power or strength, making it difficult for the victim to defend him or herself.

Types of bullying forms may include, but are not limited to:

Physical Bullying – punching, shoving, kicking, strangling, hair pulling, beating, biting, excessive tickling, tripping and pinching.

Verbal/Written bullying – hurtful name calling, racial slurs, threats, taunts, insults, teasing and gossip.

Emotional (psychological) bullying – rejecting, terrorizing, extorting, humiliating, intimidating, defaming, black mailing, manipulating friendships, deliberate exclusion, and peer pressure.

Cyber bullying – tormenting, threatening, taunting, degrading, impersonating, humiliating or otherwise targeting students or staff members using the internet, interactive and digital technologies, or inviting others to join in these acts.

Additionally, publishing disparaging and/or defamatory comments about the school or anyone in the school community, possessing or transmitting inappropriate photos, or sexting is not permitted.

St. Francis of Assisi School is committed to providing a safe environment for all individuals, including students, families and employees. Any individual violating school policy will be required to meet with the school pastor and administrator, and may be subject to consequences, including expulsion.

CELL PHONES/ELECTRONIC DEVICES

Personal electronic devices including, but not limited to, cell phones, tablets, earbuds and smart watches are NOT permitted during the school day or during childcare hours. While at school students must keep all personal devices in their backpack on silent setting. If a device disturbs a class, the teacher will send the device to the school office where a parent can retrieve it.

CHILD ABUSE LAWS

St. Francis of Assisi School abides by the Child Abuse laws of the State of West Virginia. This law mandates that all cases of **suspected** abuse and/or neglect be reported to Child Protective Services.

CHILD CUSTODY

We abide by the provisions of the “Buckley Amendment” giving non-custodial parents access to academic records and information regarding his/her child unless there is a court order denying access. It is NOT enough to have the custodial parent’s word. We need a copy of the legal document on file. If self-addressed, stamped envelopes are provided, the school will send separate copies of report cards and progress reports to non-custodial parents.

CLASSROOM VISITATION AND FAMILY INVOLVEMENT

We encourage family participation at St. Francis School, and we welcome volunteers to share their time and talents. The Diocese of Wheeling-Charleston requires all volunteers to complete the three components of the Safe Environment Program:

1. Background check
2. Acknowledgement of understanding of the Diocesan Policy Relating to Sexual Abuse of Children
3. Completion of Virtus online awareness training

After all three components are completed; volunteers are welcome to be a homeroom parent, field trip driver, coach, etc. **Please note, there are no exceptions to this rule. Anyone who is to be among the children in any capacity is required to complete these components**. Volunteers visiting the school during school hours must sign the visitor's log located in the school office. Arrangements for classroom visits must be made in advance with the classroom teacher and the school office. Drop-ins are not permitted as the teacher has the legal obligation to ensure the safety and well-being of all students at all times.

CLOSING OF SCHOOL OR DELAYED OPENING

Information regarding school closings and delays will be texted to families via a "Parent Alert." Radio announcements will be made on WOWK-TV, WCHS-TV, and WSAZ-TV. Additionally, delays and closings will be posted on the West Virginia Department of Education site https://wvde.us under "School Closings." **St. Francis School does not follow Kanawha County Schools weather related procedures.**

Two Hour Delay: When school is delayed for two hours Before School Care will begin at 9:00am. Grades K-5 students may enter the cafeteria at 9:30am, and classes will begin at 9:45am. Collaborative Preschool classes will begin at 10:15am, and Traditional Preschool class will begin at 9:30am.

Snow Day Packets: In December teachers will send home "Snow Day Packets" to be used in the event school is cancelled due to weather. Students will complete the assignments contained in the packet as per the teacher's directions. Assignments are due upon the students return to school. Failure to do so will count as an absence and cause a reduction in grades. The make-up assignment policy does not apply to Snow Days. A doctor's note is required for exceptions or the parents must contact the school principal in advance.

CONDUCT AND SCHOOL-WIDE EXPECTATIONS

In an effort to provide a Christian atmosphere for our children, we request that all families make a commitment to abide by the following expectations.

1. Uniforms: Wear the proper uniform according to the school dress code.
2. Behavioral expectations:
   *In the classroom students are expected to raise their hands before speaking, be respectful to their teacher and classmates, work quietly on assignments, and follow classroom rules as established by the teacher.
   *In church students will be quiet, reverent and follow all instructions as given by their teacher.
   *In the lunchroom students will talk quietly with their peers after they receive permission to do so by the lunchroom supervisor.
   *On the playground and in the gym children will play in a manner that will not cause harm to themselves, to other children, or to personal or school property.
3. Please review the discipline policy as a family.

COUNSELOR

A counseling program is an integral part of the total education process. Student, teacher and parent needs must be met in order to facilitate learning in the optimum educational environment. Counselors in Catholic schools enhance the learning environment by providing many services. Among these are individual, small group counseling, coordination of school/community outreach, teacher support, parent support, and academic support of the student. In addition, school counselors are required by law to report suspected abuse or neglect. Finally, school counselors meet the developmental and educational

needs of students through classroom guidance. These needs have been identified by the West Virginia Department of Education. They are personal development, educational development, social development and career development. By targeting these areas of development, school counselors can help their students meet the demands of school as well as the demands of our world today. The school counselor at St. Francis of Assisi School will work with students individually, in small groups, and during whole-class sessions. At times, parents may also be included in the counseling process to support student growth and development.

CRISIS PLAN

In collaboration with the St. Albans Police Department, St. Francis of Assisi School has implemented a crisis plan in the event of an emergency. All teachers and staff are trained to respond in a safe, orderly manner to keep your children safe. In the event an evacuation becomes necessary, two rally points have been established: Hansford Senior Center, 500 Washington Street, and Affordable Insurance Agency, 1000 6th Avenue. Fire and safety drills are conducted intermittently during the school year. Please note that in emergency situations, we dismiss according to the directions of the police or first responders.

DIGITAL MEDIA

Teachers and staff are not permitted to be 'friends' on any personal social networking site with any student of the school, and are discouraged from joining social networking sites as 'friends' with families of the school. School organizations are not permitted to establish accounts on social media sites. All announcements regarding school activities and events must be entered on the official St. Francis School Facebook page by a school employee.

DISCIPLINE

St. Francis School affirms the human dignity of all persons, and the philosophy of discipline at St. Francis School flows naturally from the school's philosophy. In order to achieve an atmosphere where faith, academic excellence, service, leadership and character can be pursued, students and their families must support the policies and regulations established by St Francis School. Realizing that an all-inclusive listing of various expectations would be impossible to outline, **St. Francis of Assisi School reserves the right to take appropriate action for any offense that, in the opinion of the faculty, staff, or administration violates the good behavior expected of a St. Francis School student. No student is free from the consequences of their actions; therefore, our policy applies to all students of Saint Francis School.**

A. APPROPRIATE BEHAVIORAL REQUIREMENTS

Appropriate student behavior may be summed up in this way: Behavior that assures the right of every student to learn, the right of every teacher to teach, and demonstrates respect for the personal, civil and property rights of others. Each classroom teacher will establish specific behavioral expectations for students in their classroom approved by the principal and students must satisfy such expectations.

B. POSSIBLE CONSEQUENCES OF INAPPROPRIATE BEHAVIOR

1. For minor infractions such as a minor disturbance in class, coming unprepared, neglecting or poorly fulfilling a classroom regulation, failure to comply with dress code, excessive tardiness, conflict with another child, or other inappropriate behavior will be:
    a. Loss of playground or break time, special class time, or other privileges.
    b. Conference with teacher or principal.
    c. Supplemental reading or written work.
    d. Notification of parents.
    e. Lunch detention.

2. More serious or repeated offenses may include, but are not limited to, the following:
    a. Fighting or cruelty whether verbal or physical.

b. Disrespectful or defiant behavior or language.
c. Stealing.
d. Cheating or dishonest conduct.
e. Deliberate property damage. Students and their parents will pay for the damage incurred.

Possible consequences for serious offenses may include:

iv. Other, as determined by St. Francis School.

A student may be expelled from school for any serious offenses at any time or for accumulation of minor offenses. Expulsion is the termination of the student's enrollment in the School. St. Francis School reserves the right to search any item brought onto school property. St. Francis School reserves the right to amend this policy at any time without prior notice.

DROP-OFF AND DISMISSAL PROCEDURES

Our dismissal and drop-off procedures are approved by the St. Albans Police Department to ensure the safety of the students while maintaining order, proper supervision, and minimizing traffic congestion on Holley Street. Parents are expected to comply with the guidelines:

Morning Drop-Off: Vehicles will form a single line of traffic staying to the right of Holley Street entering at Lincoln Avenue and exiting onto Sixth Avenue. We ask that every attempt be made to keep the car line safely moving while leaving Holley Street accessible for neighbors. Between 7:30-7:45 am please do not park on Holley Street to walk children into the building or drop off younger siblings. Please do not stop to watch your child enter the building. Please make sure your child exits from the school side/right side of the vehicle. Safety patrols and cafeteria monitors are on duty to ensure the children's safety. **Parents have the option to park in the triangle parking lot and walk children into the cafeteria.**

Afternoon Dismissal: Parents will form a single line of traffic staying to the right of Holley Street entering at Lincoln Avenue and exiting onto Sixth Avenue. After cars begin lining up, we ask that order of arrival be respected. Please do not skip cars and go to the front of the line. As the line begins moving, please make every attempt to stay to the right of Holley Street to allow neighbors access to their homes. Students will be dismissed from the Holley Street double doors and teachers will assist them into vehicles. We ask that parents who need additional time fastening children into car seats or seat belts stay to the right so that other cars may safely pass. Parents have the option to park in the triangle parking lot and walk up. Walker students will be dismissed after Holley Street has been cleared of the car line. For the safety of all the children, we ask that parents refrain from conferencing with teachers while they are on dismissal duty, and that parents do not enter classrooms during dismissal. Any student not picked up by 2:40pm will be escorted to After School Care.

EMERGENCY CARDS

Please complete three (if using after school care, if not complete two) emergency cards and return them to school. These cards are an important link to your family in case of emergency. On the back of the card, please list the other people that are permitted to pick your child up from school. If there are changes to your contact information during the school year, please inform the office immediately.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT

At Saint Francis School, we respect the confidentiality of our students and families. Student educational records are maintained and kept confidential by the school office and administration. These educational records are strictly facts, report cards, and formal notices regarding the student and their grades, behavior, and attendance. Families do have the right to review these records. They may request an appointment in writing with the principal to view and go over the records in the presence of a school official. If the records are to be released to another school or person, the parent or guardian must sign and return a written consent before records can be released. Teachers are not permitted to keep informal notes or comments in these records, and may only view student records in the context of learning information about their own students for educational purposes. They may only be viewed in the office or conference room. Furthermore, any unnecessary discussion of student records with other teachers or staff is strictly prohibited.

Under FERPA, a school may not disclose a student's personally identifiable information to a third party unless the parent has provided written consent. Students are not permitted to grade the work of other students. Graded student work should not be displayed in the hallways. A student should never be asked to state their grade publicly; nor should a teacher state a student's grade publicly.

FIELD TRIPS

Occasionally students will participate in field trips to enrich their educational experience. Field trips are a privilege, not a right for students who demonstrate compliance with school rules. Field trips are a school activity with teachers responsible for children while away from the school. While away from the school, students are expected to follow school behavior guidelines. All children, families and chaperones are expected to comply with the trip itinerary. Exceptions must be discussed with the teacher prior to the day of the trip. For the safety of the children, students and teachers will leave the school as a group, remain as a group and will return to the school as a group on all school outings.

Chaperones: From time to time, parents may be asked to serve as chaperones. Diocesan policy mandates that chaperones must have completed all three components of the Safe Environment Program, no exceptions. Chaperones who are driving students must also complete the Diocesan Field Trip Driver Information Sheet. Siblings are not permitted to be in the vehicle. The minimal, acceptable liability limit for privately-owned vehicles is $100,000/$300,000. SFS adheres to the WV Passenger Law: All children under the age of 8 and under 4'9" tall must be secured in a booster safety seat. Older children must be secured in seat belts.

Fifth Grade Trip: Our fifth grade school trip is a St. Francis tradition and a final lesson for our fifth grade students. This trip is a bond of unity and harmony for the children who will be graduating from St. Francis. The fifth grade teacher determines the destination and itinerary, and the trip is planned and organized by the fifth grade teacher. Siblings are not able to participate; however, parents may apply to serve as chaperones/ drivers. The fifth grade teacher will choose 3-4 parents to serve as chaperones. All applications for chaperone must meet the deadline set by the fifth grade teacher. Chaperones must meet all Diocesan requirements listed above. They must be able to drive and supervise the children assigned to them by the fifth grade teacher.

PARENTS AS PARTNERS

We at St. Francis of Assisi School, consider it a privilege to work with parents in the education of children. During these formative years, your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. Remembering that your child's attitude mirrors yours, please make every effort, as will the school, to communicate openly about the problem, without influencing the child unnecessarily**. If a situation arises, first seek clarification and understanding directly from the teacher.** If after speaking with the teacher the problem is not resolved, please feel

free to contact the principal. As partners in the educational process at St. Francis of Assisi School, we ask parents:
To set rules, times, and limits so that your child:

PRAYERS CHILDREN NEED TO KNOW

ALL GRADES

THE SIGN OF THE CROSS
For those in first grade, it is suggested that the child first learn to make the sign of the cross before he/she learns the words. This way, the child can concentrate on one part at a time.

THE LORD'S PRAYER
Our Father, who art in heaven, hallowed be Thy name, Thy Kingdom come, Thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

THE HAIL MARY
Hail Mary, full of grace, The Lord is with you; blessed are you among women and blessed is the fruit of your womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

ANGEL OF GOD
Angel of God, my guardian dear. To whom God's love entrusts me here: ever this day be at my side, to light and guard to rule and guide. Amen

GLORY BE TO THE FATHER
Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen.

THE BLESSING BEFORE MEALS
Bless us, O Lord, and these Thy gifts, which we are about to receive from Thy bounty, through Christ our Lord. Amen.

GRACE AFTER MEALS
We give you thanks for all Thy benefits, O Lord almighty God, who lives and reigns forever. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

GRADE TWO

ACT OF CONTRITION
Oh my God, I am sorry for my sins. In choosing to sin and failing to do good, I have sinned against you. I promise, with the help of your Son, Jesus, to make up for my sins and to love you and others as I should. Amen.

GRADE FOUR

HAIL, HOLY QUEEN
Hail, holy Queen, Mother of mercy, our life, our sweetness and our hope! To thee do we cry, poor banished children of Eve; to thee do we send up our sighs, mourning and weeping in this valley of tears. Turn then, most gracious Advocate, thine eyes of mercy toward us, and after this our exile, show unto us the blessed fruit of thy womb, Jesus. O clement, O loving, O sweet Virgin Mary. Pray for us, O Holy Mother of God, that we may be made worthy of the promises of Christ.

Building for the Future

The Prayer of St. Francis

Lord, make me an instrument of thy peace; where there is hatred, let me sow love; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.
