RE: Soccer Teams

Dear Families,

St. Francis of Assisi School participates in the KVVU Soccer League. Registration is now open for children born after January 1, 2015, and families may register at wv-kvusoccer.sportsaffinity.com. Please enter St. Francis School in the section of the registration form requesting a specific team assignment.

Additionally, please notify the SFS Athletic Director, Chad Lasure, to ensure SFS students are assigned to teams with fellow SFS students. Chad may be reached at 304-400-8988 or email chadlasure84@gmail.com. In the event an age group does not have the required number of players to enter as a team, SFS players will be assigned to a team with other players in their age group. All fees are payable to KVVU. The first practice is scheduled to begin on August 6.

Sincerely,

Erin Sikora
