Saint Francis of Assisi School

The faculty and staff of St. Francis of Assisi School welcomes you to a new year of seeking and discovering knowledge. The philosophy and policies of St. Francis described in this handbook can be summarized in these beautiful words from longtime pastor Father Patrick McDonough.

C - Charity

The inspiration and result of everything we do at this school is love of God and of neighbor. Where charity and love abide, there God is always present.

H – Harmony

Your child will benefit most from an education in a Christian environment when parents, teachers and staff work together, respecting and cherishing one another as brothers and sisters with Jesus.

I – Interest

St. Francis is interested in the education of the whole personality of your child. We are interested in developing him/her through spiritual awareness, mental awareness, mental acuteness, and physical fitness.

L – Learning

St. Francis draws from the Catholic tradition, which values the attainment of knowledge as the noblest of human endeavors – truth is the source of freedom.

D – Discipline

Christian discipline teaches us that we must always accept the consequences of our actions. This lesson learned at an early age ensures a virtuous character for a lifetime.

History of St. Francis of Assisi School

On September 8, 1948, Saint Francis of Assisi School opened with fifty-six pupils in grades one through six and three Sisters of the Poor Child Jesus, who came from Parkersburg at the invitation of pastor, Reverend Hilary Liehr, O.F.M., Cap. The sisters, Mother Edeltrude, Sister Mary Aquinas, and nineteen-year old Sister Clare Antonette arrived to teach in classrooms set up in a renovated parish hall that had at one time housed USO functions during World War II. Father Joe Gillian, parents and members of the parish built walls to section the former hall into two classrooms and a cafeteria. The first and second graders sat at tables and chairs while grades three through six used "envoy" desks. The convent was dedicated on October 4, 1948.

In 1952, Bishop John J. Swint established St. Francis of Assisi as a parish and appointed Fr. Joseph Wanstreet as the first diocesan pastor of the growing community. Bishop Swint donated \$25,000 and Fr. Wanstreet began a \$150,000 fund drive to purchase a new rectory and expand the school. In 1954 additional classrooms were added to the school and 7th and 8th grades were added, making the school range from kindergarten - 8th grade with over 300 students.

In 1965, an \$112,500 addition to the school gave the school four new classrooms and a new auditorium, increasing the enrollment to 411 students. However, the old church had grown too small for the increasing parish, so the auditorium was converted into a church and is still being used in this capacity. Over the years various improvements have been made including a gym, playground equipment, flooring, AC units, new windows and a remodeled church.

In the late 1960's tuition of \$150/per child was initiated, which was difficult for families with multiple children to afford. The last of the nuns left after the school year 1972-73. Mrs. Alice McClung became the first lay principal of SFS. During this same time 7th and 8th grade classes were eliminated and students who chose to continue their Catholic education moved on to Charleston Catholic. In 2003, the 6th grade was eliminated leaving St. Francis as an elementary school.

Mission of Saint Francis of Assisi School

To provide high-quality Christian religious instruction based on the Catholic faith; to provide a high-quality academic curriculum to prepare students for the future; to provide the social discipline consistent with these teachings in a safe and loving environment."

Philosophy of Education at St. Francis School

The fundamental principle of Catholic education is: Man is a creature of God, redeemed by Christ and destined for eternal life.

As educators, we are committed to developing the total child so that they grow physically, emotionally, socially, intellectually, and spiritually. We believe children are individuals who should be nurtured and guided through conceptual and developmental stages at a pace that meets their particular needs. We believe the classroom environment should make children feel comfortable while achieving their academic goals. We incorporate a scholastic program that meets the highest recognized standards of education on each level. We also believe each child's self-esteem and self-concept are vital parts of their well-being. As educators, we shall develop an atmosphere that enhances positive self-concepts and develops self-esteem along with self-discipline. All personnel are qualified and prepared for their profession as exemplified by their lives, instructional techniques, dealings with peers, their deep love and concern for children, and their witness for Christ.

We believe the spiritual growth of each child to be an important responsibility of SFS. In keeping with Catholic tradition, our school will provide a Catholic, Christian atmosphere to all. Students of other faiths are not expected to act in any manner which is contrary to their own beliefs. To do so would be understandably offensive to them and their parents. Contrarily, they should understand that they will give offense to Catholic students and parents when their actions are contrary to the beliefs of Catholics. Individual religious beliefs should be respected by all faiths. By providing an atmosphere of acceptance, students will develop a sense of personal dignity and respect. In this way, students will learn how to integrate faith in Jesus Christ with school and social life. Since they feel accepted, children will develop an intellectual curiosity and a greater responsibility for their own learning.

3. ASC employees will utilize student planners so they are aware of assignments.

ARTICLES FOR SALE

Students are not permitted to sell any items at school.

ATTENDANCE

St. Francis School promotes regular attendance and punctuality as necessary for success in school. With good attendance students can maximize the development of good work habits, self-discipline, responsibility and a higher level of achievement.

Absence: Not being physically present in the school facility for any reason. Absences are recorded as excused when the school is provided with a doctor's note. Additionally, parents may write a letter of excuse for three (3) absences for the following reasons: illness, family emergency, death in the family, calamity such as flood or fire, military obligation or judicial obligation. All other absences are recorded as unexcused. West Virginia State Law mandates that parents be notified in writing when unexcused absences exceed the number allowed. After five unexcused absences parents will be contacted. After ten (10) unexcused absences a conference will be scheduled with school administrators.. Excessive

absenteeism and tardiness may result in expulsion from Saint Francis School and parents/guardians will be referred to the County Attendance Director, which may result in legal action.

Please arrange vacations so that children are not taken out of school. If this occurs, it is an unexcused absence and make-up work will be provided upon the student's return. **Teachers are not able to provide work in advance due to their day to day workload.** Parents and children will be responsible for make-up work for unexcused absences. Please arrange doctor, dental, or any other appointments after school. If a child is to be excused for doctor, dental, etc., they must present a note from their parents stating the time and date. This is to be sent to the teacher who will then send it to the office. No child will be excused without authorization. Parents are not to go to the classrooms. Students will be sent to the office after parents have signed them out in the office.

Make Up Assignments: In the event a child is absent from school, parents may contact the school to request make-up work. Make-up work will be available to parents after dismissal. If parents are not able to pick up work after dismissal, students will receive the work upon their return to school. Students are given a grace period equal to the number of days they were absent to return make-up work without their grade being affected; weekend days will be used in calculating the grace period.

1 day absence = 1 day grace period. If the student is absent on Monday, the make-up work is due on Wednesday (Tuesday is the grace period).

2 day absence - 2 day grace period. If the student is absent Monday and Tuesday, the make-up work is due on Friday. (Wednesday and Thursday are the grace period days).

3 day absence - 3 day grace period. If the student is absent Tuesday, Wednesday and Thursday, the make-up work is due on Monday (Friday, Saturday and Sunday are the grace period days).

If the make-up work is returned after the time allowed, the grade will be calculated as follows:

1 Day Late: Maximum grade 75%

2 Days Late: Maximum grade 50%

3 Days Late: Maximum grade 25%

4+ Days Late: 0%

Tardy Arrivals and Early Outs: Students arriving after 7:45am are tardy. For the safety of the students, we ask that parents escort tardy students to the school office to obtain a tardy slip, but not to the classroom. Tardy students must enter the classroom quietly to cause the least distraction for students and teachers engaged in the learning process. Any student who has five events of unexcused tardiness during a nine-week period will serve lunch detention. The parents of any student who has ten events of unexcused tardiness during a nine-week period, will be required to meet with an administrator. Additionally, the school reserves the right to implement an out of school suspension for tardy events exceeding ten in a nine-week period. Please make every effort to arrive on time.

If a student goes home sick in the morning, it is recorded as an absence for that day. An Early Out is recorded for students who leave school at any time throughout the day. Every absence, tardy and early out regardless of cause is recorded.

BIRTHDAY INVITATIONS AND TREATS

Invitations to a party may be distributed in the classroom if the entire class is invited. As participants in the federal hot lunch program, we comply with all nutritional guidelines including eliminating individual birthday celebrations in classrooms. Non-edible treats such as pencils or stickers may be distributed with permission from the classroom teacher. Please do not have flowers, balloons, etc. delivered to the school.

BULLYING, CYBERBULLYING, OR HARASSMENT

Rationale: Bullying is sinful, cruel, unchristian behavior, as well as a violation of the law. Bullying is a form of aggression when a person willfully subjects another person to intentional, unwanted and unprovoked hurtful verbal, written or physical actions that may result in the victim feeling oppressed, intimidated, and/or threatened (**seriously or in jest**). Bullying involves a pattern of behavior repeated over time and an imbalance of power or strength, making it difficult for the victim to defend themselves.

Types of bullying forms may include, but are not limited to:

Physical Bullying – punching, shoving, kicking, strangling, hair pulling, beating, biting, excessive tickling, tripping and pinching.

Verbal/Written bullying – hurtful name calling, racial slurs, threats, taunts, insults, teasing and gossip.

Emotional (psychological) bullying – rejecting, terrorizing, extorting, humiliating, intimidating, defaming, blackmailing, manipulating friendships, deliberate exclusion, and peer pressure.

Cyber bullying – tormenting, threatening, taunting, degrading, impersonating, humiliating or otherwise targeting students or staff members using the internet, interactive and digital technologies, or inviting others to join in these acts.

Additionally, publishing disparaging and/or defamatory comments about the school or anyone in the school community, possessing or transmitting inappropriate photos, or sexting is not permitted.

St. Francis of Assisi School is committed to providing a safe environment for all individuals, including students, families and employees. Any individual violating school policy will be required to meet with the school pastor and administrator, and may be subject to consequences, including expulsion.

CELL PHONES/ELECTRONIC DEVICES

Personal electronic devices including, but not limited to, cell phones, tablets, earbuds and smart watches are NOT permitted during the school day or during childcare hours. While at school students must keep all personal devices in their backpack on silent setting. If a device disturbs a class, the teacher will send the device to the school office where a parent or guardian can retrieve it.

CHILD ABUSE LAWS

St. Francis of Assisi School abides by the Child Abuse laws of the State of West Virginia. This law mandates that all cases of **suspected** abuse and/or neglect be reported to Child Protective Services.

CHILD CUSTODY

We abide by the provisions of the “Buckley Amendment” giving non-custodial parents access to academic records and information regarding his/her child unless there is a court order denying access. It is NOT enough to have the custodial parent’s word. The school must be provided with a copy of the legal document to be maintained in the student’s file. If self-addressed, stamped envelopes are provided, the school will send separate copies of report cards and progress reports to non-custodial parents.

CLASSROOM VISITATION AND FAMILY INVOLVEMENT

We encourage family participation at St. Francis School. The Diocese of Wheeling-Charleston requires all volunteers to complete the three components of the Safe Environment Program: 1. Background check. 2. Acknowledgement of understanding of the Diocesan Policy Relating to Sexual Abuse of Children. 3. Completion of Virtus online awareness training. After all three components are completed; volunteers are welcome to be a homeroom parent, field trip driver, coach, etc. Volunteers visiting the school during school hours must sign the visitor’s log located in the school office. Arrangements for classroom visits must be made in advance with the classroom teacher and the school office. Drop-ins are not permitted.

CLOSING OF SCHOOL OR DELAYED OPENING

Information regarding school closings and delays will be texted to families via a "Parent Alert." Radio announcements will be made on WOWK-TV, WCHS-TV, and WSAZ-TV. Additionally, delays and closings will be posted on the West Virginia Department of Education site <https://wvde.us> under "School Closings." **St. Francis School does not follow Kanawha County Schools weather related procedures.**

Two Hour Delay: When school is delayed for two hours Before School Care will begin at 9:00am. Grades K-5 students may enter the cafeteria at 9:30am, and classes will begin at 9:45am. Collaborative Preschool classes will begin at 10:15am, and Traditional Preschool class will be canceled.

CONDUCT AND SCHOOL-WIDE EXPECTATIONS

In an effort to provide a Christian atmosphere for our children, we request that all families make a commitment to abide by the following expectations.

1. Uniforms: Wear the proper uniform according to the school dress code.
2. Behavioral expectations:
 - *In the classroom students are expected to raise their hands before speaking, be respectful to their teacher and classmates, work quietly on assignments, and follow classroom rules as established by the teacher.
 - *In church students will be quiet, reverent and follow all instructions as given by their teacher.
 - *In the lunchroom students will talk quietly with their peers after they receive permission to do so by the lunchroom supervisor.
 - *On the playground and in the gym children will play in a manner that will not cause harm to themselves, to other children, or to personal or school property.
3. Please review the discipline policy as a family.

CRISIS PLAN

In collaboration with the St. Albans Police Department, St. Francis of Assisi School has implemented a crisis plan in the event of an emergency. All teachers and staff are trained to respond in a safe, orderly manner to keep your children safe. In the event an evacuation becomes necessary, two rally points have been established: Hansford Senior Center, 500 Washington Street, and Affordable Insurance Agency, 1000 6th Avenue. Fire and safety drills are conducted intermittently during the school year.

COUNSELOR

A counseling program is an integral part of the total education process. Student, teacher and parent needs must be met in order to facilitate learning in the optimum educational environment. Counselors in Catholic schools enhance the learning environment by providing many services. Among these are individual, small group counseling, coordination of school/community outreach, teacher support, parent support, and academic support of the student. In addition, school counselors are required by law to report suspected abuse or neglect. Finally, school counselors meet the developmental and educational needs of students through classroom guidance. These needs have been identified by the West Virginia Department of Education. They are personal development, educational development, social development and career development. By targeting these areas of development, school counselors can help their students meet the demands of school as well as the demands of our world today.

DIGITAL MEDIA

Teachers and staff are not permitted to be 'friends' on any personal social networking site with any student of the school, and are discouraged from joining social networking sites as 'friends' with families of the school. School organizations are not permitted to establish accounts on social media sites. All announcements regarding school activities and events must be entered on the official St. Francis School Facebook page by a school employee.

DISCIPLINE

St. Francis School affirms the human dignity of all persons, and the philosophy of discipline at St. Francis School flows naturally from the school's philosophy. In order to achieve an atmosphere where faith, academic excellence, service, leadership and character can be pursued, students and their families must support the policies and regulations established by St Francis School. Realizing that an all-inclusive listing of various expectations would be impossible to outline, **St. Francis of Assisi School reserves the right to take appropriate action for any offense that, in the opinion of the faculty, staff, or administration violates the good behavior expected of a St. Francis School student.**

A. APPROPRIATE BEHAVIORAL REQUIREMENTS

Appropriate student behavior may be summed up in this way: behavior that assures the right of every student to learn, the right of every teacher to teach, and demonstrates respect for the personal civil and property rights of others. Each classroom teacher will establish specific behavioral expectations for students in their class approved by the principal, and students must satisfy such expectations.

B. POSSIBLE CONSEQUENCES OF INAPPROPRIATE BEHAVIOR

1. For minor infractions such as a minor disturbance in class, coming unprepared, neglecting or poorly fulfilling a classroom regulation, failure to be in uniform, excessive tardiness, conflict with another child, or other inappropriate behavior will be:
 - a. Loss of playground or break time, special class time, or other privileges.
 - b. Conference with teacher or principal.
 - c. Supplemental reading and/or written work.
 - e. Notification of parents and/or guardian, parent and/or guardian signature required.
2. For more serious or repeated offenses as determined by St. Francis School:
 - a. In-School Suspension (with notification to parent. Doing schoolwork apart from classmates.
 - b. Suspension (with notification to parent). Suspended students may not be present in the school.
 - c. Expulsion.
 - d. Other, as determined by St. Francis School.

For purposes of paragraph 2, "serious offenses" may include, but are not limited to, the following:

1. Fighting or cruelty whether verbal or physical.
2. Disrespectful or defiant behavior or language.
3. Stealing.
4. Cheating or dishonest conduct.
5. Deliberate property damage. Students and/or their parents will pay for the damage incurred.
6. Repeated minor offenses.
7. Truancy.
8. Lack of cooperation within or outside the classroom.
9. Bringing or using alcohol, tobacco in any form, and/or illegal drugs on school grounds.
10. Bringing knives, firearms or any type of weapon to school.
11. Profanity, verbal abuse, or obscene gestures.
12. Assault or battery, or any threat of force or violence directed towards any school personnel or student.

A student may be expelled from school for any serious offenses at any time or for accumulation of minor offenses. Expulsion is the termination of the student's enrollment in the School. St. Francis School reserves the right to search any item brought onto school property. St. Francis School reserves the right to amend this policy at any time without prior notice.

DROP-OFF AND DISMISSAL PROCEDURES

Our dismissal and drop-off procedures are approved by the St. Albans Police Department to ensure the safety of the students while maintaining order, proper supervision, and minimizing traffic congestion on Holley Street. Parents are expected to comply with the guidelines:

Morning Drop-Off: Vehicles will form a single line of traffic staying to the right of Holley Street entering at Lincoln Avenue and exiting onto Sixth Avenue. We ask that every attempt be made to keep the car line safely moving while leaving Holley Street accessible for neighbors. Please do not park on Holley Street between 7:30-7:45am to walk children into the building or drop off younger siblings. Please do not stop to watch your child enter the building. Please make sure your child exits from the school side/right side of the vehicle. Safety patrols and cafeteria monitors are on duty to ensure the children's safety. **Parents have the option to park in the triangle parking lot and walk children into the cafeteria.**

Afternoon Dismissal: Parents will form a single line of traffic staying to the right of Holley Street entering at Lincoln Avenue and exiting onto Sixth Avenue. After cars begin lining up, we ask that order of arrival be respected. Please do not skip cars and go to the front of the line. As the line begins moving, please make every attempt to stay to the right of Holley Street to allow neighbors access to their homes. Students will be dismissed from the Holley Street double doors and teachers will assist them into vehicles. We ask that parents who need additional time fastening children into car seats or seat belts stay to the right so that other cars may safely pass. Parents have the option to park in the triangle parking lot and walk up. Walker students will be dismissed after Holley Street has been cleared of the car line. For the safety of all the children, we ask that parents refrain from conferencing with teachers while they are on dismissal duty, and that parents do not enter classrooms during dismissal. Any student not picked up by 2:40pm will be escorted to After School Care.

E-LEARNING & SNOW DAYS

At certain times of the year St. Francis School will have days of "At Home" learning. Scheduled E-Learning days are announced in advance on the school calendar and Snow Days are announced as needed.

E-Learning: Teachers will provide materials, assignments and directions on the last day of class before the planned day.

Snow Day: Teachers will provide a "Snow Day" packet in advance. Students will complete the assignments contained in the packet as per the teacher's directions.

Assignments are due upon the students return to school. Failure to do so will count as an absence and cause a reduction in students' grades. The make-up assignment policy does not apply to E-Learning and Snow Days. A doctor's note is required for exceptions or the parents must contact the school principal in advance.

EMERGENCY CARDS

Please complete three (if using after school care, if not complete two) emergency cards and return them to school. These cards are an important link to your family in case of emergency. On the back of the card, please list the other people that are permitted to pick your child up from school. If there are changes to your contact information during the school year, please inform the office immediately.

FIELD TRIPS

From time to time, students will participate in field trips to enrich their educational experience. Field trips are a privilege, not a right for students who demonstrate compliance with school rules. Field trips are a school activity with teachers responsible for children while away from the school. All children, families

and chaperones are expected to comply with the trip itinerary. Exceptions must be discussed with the teacher prior to the day of the trip. While away from the school, students are expected to follow school behavior guidelines. For the safety of the children, students and teachers leave as a group, remain as a group and return as a group on all school outings. From time to time, parents may be asked to serve as chaperones. Diocesan policy mandates that chaperones must have completed all three components of the Safe Environment Program; no exceptions.

Our fifth grade school trip is a St. Francis tradition and a final lesson for our fifth grade students. The trip is a reward to the fifth grade students and will be planned with them as the focus. The fifth grade teacher and school administration determines the destination and the trip is planned and organized by the fifth grade teacher. Siblings are not able to participate. Parents may apply to be chaperones and the teacher may assign a small number of parents to serve as chaperones and drivers, if needed. All chaperones and volunteers on the trip must have completed all three components of the Safe Environment Program. Applications for chaperone must meet the deadline set by the fifth grade teacher. Drivers and chaperones must drive and supervise the children assigned to them by the fifth grade teacher. This trip should be a bond of unity and harmony for the children who will be graduating from St. Francis.

FINANCIAL OBLIGATIONS

Saint Francis of Assisi School is a non-profit organization where service to God and community is the priority. Saint Francis has adopted tuition payment and fee deadlines and other financial policies listed below not to punish and not to profit, but to ensure the financial well-being of the organization so that its mission can be fulfilled and continue.

Tuition Assistance:

Hope Scholarship: The Hope Scholarship Program is an education savings account (ESA) that allows families to utilize the state portion of their education funding to choose an educational setting that works best for them. The program is managed by the WV Treasurer's Office hopescholarshipwv.com. It is the responsibility of the family to manage their child's Hope funds to ensure the school receives payment. In the event Hope funds are not sent to the school, families will be responsible for all tuition and fee charges.

Diocesan Tuition Assistance (TAP): Families may apply for Diocesan Tuition Assistance (TAP) through FACTS during the open season period. Awards will be announced in three phases.

McDonough Scholarship: In 2006, Father Patrick McDonough established the McDonough Scholarship fund to assist families with students in grades k-5. Families must first apply for TAP before applying for a McDonough Scholarship. Application forms are available in the school office. In the event a child does not complete the full school year, all scholarship money and TAP awards will be returned prior to calculation of the final balance.

Tuition Payment Options:

1. Full tuition by August 1. A \$100 discount will be applied to families who choose to pay in full. Payment may be made in check, cash or credit card.

2. Ten equal installments through FACTS Tuition Management Company beginning in August and ending in May. Families may choose to have their checking or savings account debited. FACTS charges a set-up fee of \$40. Families must register on the FACTS site <https://www.factsmgmt.com> and set up payment information by May 31 for the next school year. The FACTS helpline is 866-441-4637. If an account becomes delinquent, St. Francis School reserves the right to suspend enrollment until the account is current.

After and Before School Care Invoices:

After School Care invoices are calculated on a monthly basis beginning on the 1st day of the month and ending at the last day of each month and billed by FACTS Tuition Management Company. Families may elect to receive invoices either by email or U.S. Mail. Payment is due the 15th day of the following month and may be made either electronically or by mailing a payment to FACTS P.O. Box 67037, Lincoln, NE 68506. In the event an account becomes delinquent, St. Francis reserves the right to suspend services until the account is current.

Lunch Invoices:

Lunch Invoices will be sent home monthly for the 2024-2025 school year.

Delinquencies:

Unless prior arrangements have been made, all outstanding balances must be paid in full at the end of each grading period. In the event an account is delinquent, report cards will be withheld until all accounts are made current. In the event delinquencies exist at the end of a school year, report cards and transcripts will be withheld and enrollment for the next school year will not be offered until all accounts are made current. St. Francis reserves the right to refer delinquent accounts to a collection agency.

PARENT TEACHER CONFERENCES

Formal parent-teacher conferences will be held in November. Notices will be sent home allowing you to schedule a meeting. If you would like to meet with a teacher at any other time during the school year, please feel free to request a conference by contacting your child's teacher or the school office. Conferences may be scheduled in person or virtual.

During the course of the school year, a situation may arise where the parents feel that direct involvement of the principal is needed for the good of the child and the school. **Parents should first talk to the teacher involved.** If after talking with the teacher a satisfactory resolution is not reached, then the parents should schedule an appointment with the principal.

St. Francis of Assisi School faculty and staff members maintain the confidentiality of all students and families. Discussions during conferences or meetings will be limited to only the family's child.

PARENT TEACHER ORGANIZATION

St. Francis School Parent Teacher Organization works to support and enhance the educational ministry of the school. Fund-raising for educational and extracurricular purposes, parent education, and building community are goals of this organization. Meetings are held several times during the school year, and all parents are encouraged to attend.

PARENTS AS PARTNERS

We at St. Francis of Assisi School, consider it a privilege to work with parents in the education of children. During these formative years, your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. Remembering that your child's attitude mirrors yours, please make every effort, as will the school, to communicate openly about the problem, without influencing the child unnecessarily. **If a situation arises, first seek clarification and understanding directly from the teacher.** If after speaking with the teacher the problem is not resolved, please feel free to contact the principal. As partners in the educational process at St. Francis of Assisi School, we ask parents:

To set rules, times, and limits so that your child:

Has an early bedtime on school nights.

Arrives at school on time and is picked up on time at the end of the day.

Is dressed according to the school dress code.

Completes assignments on time.

Actively participate in school activities.

Ensures the student pays for any damage to educational materials or school property due to carelessness or neglect on the part of the student.

Notifies the school office of any changes of address or important phone numbers.

Informs the teacher of any special situation regarding the student's well-being, safety, and health.

Completes and returns to school any requested information promptly.

Reads school communications to show interest in the student's total education.

Supports and cooperates with the discipline policy of the school.

Meets all financial obligations to the school.

Treats faculty and staff members with respect and courtesy in discussing student problems.

PEANUT-AWARENESS

Students having life-threatening allergies to peanuts, peanut butter, peanut flour, peanut oil and peanut products are enrolled at St. Francis. This allergic reaction may occur if the children touch these products or if someone who ate them touches these students. For the protection of these students, we ask all parents to refrain from sending any items to school containing peanut products. In the event a child brings an item containing peanut butter to school, the child may eat separately from the group and after washing his/her hands may rejoin the group.

PERMISSION REQUIRED FOR SCHOOL SAFETY

West Virginia state law requires that the teacher shall at all times, "stand in the place of the parent." It also holds the teacher responsible for the child from the time he/she arrives at school until the time he/she returns home from school. If your child is to go anywhere except directly home, he/she must bring a note of permission to the school that is signed by the parent. Without this we will require that the child go directly home or to After School Care. Written permission is required if your child is being picked up by someone not authorized on the emergency card and if your child is going home with another student.

PEST MANAGEMENT PLAN

St. Francis of Assisi School's pest management program has been approved by the Department of Agriculture.

RETENTION

Retention of students is based on a consideration of the welfare of the student. Every student shall be placed where he/she works to their best advantage. Parents will be included in on-going remediation efforts for students at risk. The ultimate decision concerning retention is made by the Principal after consultation with the teacher(s) and parents.

REPORT CARDS AND PROGRESS REPORTS

Report Cards are important tools for communication. Report Cards are issued four (4) times during the academic school year or every nine (9) weeks. Progress Reports are issued mid-way between each nine-week grading period to students in grades 1-5. No student will be issued a quarterly or final Report Card, nor will transcripts be released if tuition, lunch charges, library fines, or After School Care Program fees are in arrears.

THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be Thy name, Thy Kingdom come, Thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

THE HAIL MARY

Hail Mary, full of grace, The Lord is with you; blessed are you among women and blessed is the fruit of your womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

ANGEL OF GOD

Angel of God, my guardian dear. To whom God's love entrusts me here: ever this day be at my side, to light and guard to rule and guide. Amen

GLORY BE TO THE FATHER

Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen.

THE BLESSING BEFORE MEALS

Bless us, O Lord, and these Thy gifts, which we are about to receive from Thy bounty, through Christ our Lord. Amen.

GRACE AFTER MEALS

We give you thanks for all Thy benefits, O Lord almighty God, who lives and reigns forever. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

GRADE TWO

ACT OF CONTRITION

The Prayer of St. Francis

Lord, make me an instrument of thy peace; where there is hatred, let me sow love; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.
